

The Enlisted Heritage Hall's Tree of Contributions

The Enlisted Heritage Hall's Tree of Contributions is a permanent display which shows the supporter's names, unit, service dates, just about anything you'd want engraved on the leaf to honor yourself, members of your family, or units. The cost per leaf is \$250.00 for individuals, \$500.00 units, and \$1000.00 for Corporate Sponsors. For each additional gift of \$250.00 or more, your leaf is embossed with a WWII gold bomber Aircraft Insignia. The aircraft insignia indicates consecutive contributions.

The leafs will accommodate 15 characters on the top line, 20 characters on the center line, and 15 again on the bottom line. Punctuation and spaces count!
